## About RACQ International Women's Day Fun Run

On Sunday 7 March more than 10 000 women, men and children will create a sea of pink through the streets of Brisbane, as they complete 5km walk/run to help raise vital funds for practical breast cancer support services and breast cancer research at Mater. This event has an approved COVID-19 Safe Plan signed off by Qld Health.

### Together we're helping women with breast cancer.

The RACQ International Women's Day Fun Run raises much needed funds to provide practical tangible support for women with breast cancer along with investing in potentially life-saving cancer research right here in Queensland.

Ultimately, the funds raised from this event will help women with breast cancer today and save lives tomorrow.
