

International Women's Day
funrun
 Supporting women with breast cancer

Presented by
QueenslandXRay

Dear Resident,

On Sunday 9 March 2025, the International Women's Day Fun Run presented by Queensland X-Ray will be taking place in the Brisbane Botanical Gardens and surrounding areas.

This is an annual charity run that raises funds for breast cancer research and support programs through the Mater Foundation. 20,000 participants have entered the event, and will complete the 5km course on the day to support this cause and raise over \$1.8M.

There will be road closures in place in your area on the morning of Sunday 9 March 2025 for this event which will start from Vulture Street at Mater Private Hospital, and finish at the City Botanical Gardens, Brisbane City. Flip this flyer over to see the road closure schedule, and see the course map to the right. Emergency service vehicles will have access at all times.

There will also be some noise produced by the event team setting up and entertainment across the course. The event will be operating under permits from Brisbane City Council and Queensland Police and all necessary measures have been taken to ensure a safe and enjoyable event for all involved. More information can be found on the event website: womensdayfunrun.com.au.

We would also like to invite you to become involved with the event if you choose. There are several ways to get involved from registering as a participant, volunteering at the event or donating to the Mater Foundation (all using the website above)... or why not come down and cheer on the 20,000+ participants.

If you have any concerns or questions please contact Event Management Solutions Australia on 07 3139 0398 or email info@emsaustralia.net.au. Please direct any event day concerns or noise complaints to the Event Control Centre on 0417 741 468.

Thank you!

P.S. Flip this flyer over to access the road closure schedule. 

Road closure schedule

Thank you for your cooperation and patience during this time.
